

FUNDING APPLICATION FORM

THE STEVE BERNARD FOUNDATION

ABOUT THE APPLICATION PROCESS

Since its formation in February 2006, the Steve Bernard Foundation has raised more than £300,000 for sporting projects based in Dorset, Hampshire and Sussex. The Foundation and its Trustees strive to support a wide variety of requests, be they from individuals, teams or organisations and irrespective of the background and ability of the applicants.

You should consider this application a way to demonstrate what your project is about. We judge each and every application on its own merits, we're not looking for an essay just a demonstration of your project and how the foundation can best support that.

Please be aware that the foundation receives a wide variety of requests from a whole range of projects and unfortunately cannot support them all. The decision of our Trustees in each case is final and, as a team of volunteers, we unfortunately cannot provide any further information should you be unsuccessful in your application.

Please Note: *The Steve Bernard Foundation only supports projects by providing or covering the costs of equipment or courses. It will not cover travel costs or make non-targeted financial donations to protect against the improper use of charity funds. The Foundation only serves projects based in Dorset, Hampshire & Sussex.*

YOUR DETAILS

Project Name	
Name of Applicant	
Contact Name (If different)	
Sport / Activity	
Type of Applicant	Sports Club Individual School University Governing Body Other: _____
Contact Phone Number	
Email Address	
Address	
Date of Application
